To ensure your students get the most out of the planned program and activities, please be sure to view the 4–5-minute videos in the Video On-demand Library in advance as they will be the guide for our March 3rd Works live program. Add your questions in the Q&A box next to each of the videos and the speakers will do their best to get to all of the questions on March 3rd. There's also a special guest presentation by RBC Olympian Benjamin Preisner in the library for you to watch with your students in advance.

After you watch the videos, please take a few moments to complete the 1-minute survey: <https://forms.office.com/r/nkXiHcZTm1>
